Dear DOE Executive:

RE: Our Form SF95 Filing of 5/29/19

Regarding our Form SF95 Submission. We are informed by your own staff that you are stonewalling our applications, as you have done consistently in the past, as part of your political vendetta because we were whistle-blowers in your organized crime stock market slush fund scam. Refusing to resolve this matter will never make it go away. It only makes it worse for you!

We are informed by FBI, GAO and White House staff that your current staffing at the Department of Energy is legally compromised. Bill Cooper, the current general counsel at the Department of Energy, previously lobbied the House in 2017 and 2018 on Puerto Rico electricity issues for Scotiabank, one of the top lenders to the Puerto Rico Electric Power Authority, as well as the North American affiliate of the French natural gas company ENGIE, which owns a large stake in a Puerto Rican energy company. That lobbying came soon after he left his post at the House Natural Resources Committee. Our companies were pending suppliers to both of those entities.

Cooper's filings obscured committees or offices in the House he lobbied, and the lobbying work was hidden in his Senate confirmation hearings for his current position at the Energy Department. A spokesperson for the department said "Cooper complied with all relevant rules and regulations". As general counsel for the department, Cooper is charged with overseeing the agency's compliance with ethics rules. This is an unethical and illegal conflict of interest.

We are also informed by our associates currently employed at the Department of Energy that Mr. Cooper and the legal office at Department of Energy have told staffers to "stonewall and logjam" any requests from our office "forever...or at least until after they are dead and gone.." This is a felony violation of our Constitutional rights.

As you are aware, President Obama passed the "Stimulus" legislation that opened up the federal spending spigot. Next he approved money for "Green Energy" projects that involved government

grants to shadowy companies, which in turn would give campaign contributions to Obama and Obama-backed candidates who would win elections and give out more money to these companies, many that went broke (and their oligarchs got windfall profits and “unjust rewards” from epic tax write-offs), in a completely legal cycle of money-laundering. It was campaign-finance revolving door payola.

After leaving office, the Obamas won a \$60 million deal from Netflix to produce “content” of some kind despite having no experience in this area. According to federal investigators they received a \$65 million book deal from Random House, which is owned by Pearson Publishing, which would benefit from the Common Core education initiative promulgated during the Obama presidency. The result of all this is that the Obamas own a multi-million-dollar home on the water in Martha’s Vineyard, despite railing against Climate Change and income inequality. The endless pipeline of government money funds public colleges and public sector unions that willingly pay for government speakers and advisers to capture more money to be relayed back into political campaigns in an endless quid-pro-quo just like that used to conduit political funds using Tesla, Solyndra, Fisker, Abound, Severstal, etc. as money laundering fronts.

WE REPORTED BILLIONS OF DOLLARS OF BRIBES BEING PAID TO SPECIFIC PUBLIC OFFICIALS VIA COVERT CORRUPT STOCK MARKET DEALS! THIS IS ABOUT A CRIMINAL ORGANIZATION OF PEOPLE THAT OPERATE BETWEEN SILICON VALLEY AND WASHINGTON DC. THEY USED THE LARGEST BRIBERY SYSTEM IN HISTORY TO AVOID PROSECUTION... UNTIL NOW!

THE FINANCIAL RECORDS AT www.opensecrets.org AND AT THE FBI PROVE THAT OUR POLITICIANS, THEIR FINANCIERS AND OUR ATTACKERS WERE THE SAME PEOPLE!

Testimony: "... we were solicited and defrauded by government officials who turned out to be: best friends with, later employed by, hiring their staff from, campaign financed by, sleeping with and stock market invested in: OUR ARCH COMPETITORS! These are government officials who engaged in these crimes! Our metrics beat those of every other applicant except one: WE DIDN'T PAY THE BRIBES THEY WANTED! This was a crime of epic proportions. We, and the taxpayers, were scammed. When we reported it through "proper channels" they put hit-jobs and media attacks on us for reporting their crimes. These people are part of the [Jeffrey Epstein School of Stock Market Crime..](#)"

IT WAS "PAY-TO-PLAY" FOR GOVT CONTRACTS AND FUNDING THAT ONLY CAMPAIGN FINANCIERS GOT AWARDED WHILE THEIR COMPETITORS GOT SABOTAGED ON ORDERS FROM THE WHITE HOUSE! WE REFUSED TO PAY BRIBES SO WE GOT THE SHAFT FROM OUR OWN ELECTED OFFICIALS! SEE THE PROOF AT THESE, AND MANY MORE, LINKS:

Tens of millions of citizens have now read that information and it is information that many federal staff have provided.

DOE STAFF USED OUR DEMOCRACY AS THEIR RICH BOY PLAYTHING! THEY ARE UNDER SURVEILLANCE, BY THE PUBLIC, FOR THE REST OF THEIR LIVES! THEIR CORRUPT STOCK MARKET VALUES WILL BE OBLITERATED BECAUSE THEY USED THOSE TECH STOCKS TO PAY BRIBES TO POLITICIANS

NOBODY HAS FOUND A SINGLE PERSON THAT DISPUTES OUR EVIDENCE EXCEPT THOSE WHO ARE PART OF THE CRIMES. WALL STREET JOURNAL, NEW YORK TIMES, 60 MINUTES, FBI REPORTS, CONGRESSIONAL REPORTS, COURT RECORDS

AND THOUSANDS MORE PROVE OUR CHARGES! BILLIONS OF DOLLARS OF TESLA, GOOGLE, NETFLIX AND FACEBOOK STOCK AND ASSETS HAVE BEEN PAID TO POLITICIANS AS BRIBES AND QUID-PRO-QUO PAYOLA! WE DEMAND ARRESTS!

WHAT DOES THIS EVIDENCE PROVE?

- That an organized crime program exists between Silicon Valley tech oligarchs, investment banks and U.S. Senators, DOE agency staff and White House staff
- That the suspects manipulate government funds for their personal profiteering at the expense of domestic citizen taxpayers
- That the suspects operate a vast stock market manipulation program as a core function of their operations at the expense of the public
- That the suspects contract a known group of organizations to attack, defame, physically harm, character assassinate, black-list and/or kill those they dislike
- That the suspects operate a sex-trafficking network of prostitutes and sexual extortion activities and locations for the engagement of said activities
- That the suspects engage in electronic attacks and manipulations including hacking, election manipulation, media censorship and internet search results manipulation in order to mask their schemes

We have spent decades working with current and former FBI, CIA, NSA, DIA, InterPol, FTC, SEC, FEC and Congressional investigators. We connected them, and their forensics, with investigative journalists, citizen sleuth and community groups devoted to anti-corruption. We selected the top 300 most corrupt targets that had a shared beneficiary status in their crimes. We used AI, field surveillance, stings and peer-to-peer mesh database comparison work to examine the stock market transactions, investment bank communications, emails, owned assets, texts, party and event participation's, home meetings, public statements, document leaks, sexual relationships, Panama Papers/Swiss Leaks/KPCB Leaks and other leaks, lobbyist payments, 1090 contractors, fake charity fronts, payments, receipts and other connecting evidence proving that these targets organized in order to commit a crime against the public.

We knew some of these criminals personally. We have absolute proof (...and federal law enforcement officials have absolute proof) of these crimes engaged in against us as individuals and against the American people as a whole. The evidence has been placed in irremovable torrent repositories around the globe and provided on hard drives to journalists world-wide. The evidence is added to daily and whistle-blowers are constantly increasing the volume of evidence.

THE SILICON VALLEY CORRUPTION CARTEL

...Who bribe the White House, U.S. Senators & Congress-People to rig public policy, laws, contracts & grants which...

... Pump the stock market assets at Goldman Sachs, JP, Schwab, etc. that the Oligarchs previously insider traded

The cover-up actions of public officials have prevented us from having fair access to the Justice System so our team has been bringing them down using simple, and 100% legal, Wikipedia-like transparency technologies!

This **CBS News 60 Minutes** Investigation episode exposes one of the schemes that the criminal politicians and their Silicon Valley tech oligarch backers used to acquire billions of dollars of taxpayer funds and many more billions of dollars, at the expense of taxpayers, in stock market pump-and-dump, windfall write-offs, "Goldman Skims" and hundreds of other financial manipulations. Part of the technology was transferred to China via chinese spies and insiders that worked inside of California Senator's offices. They engaged in these crimes in a RICO violating manner:

THERE ARE NO 'CONSPIRACY THEORIES' HERE - JUST HARD FACTS THAT STAND UP IN COURT FROM TOP FBI, CONGRESSIONAL AND NEWS INVESTIGATORS

- This involves one of the largest organized crime matters in American history. Public officials are altering political decisions in order to have themselves, their families and their friends gather exclusive stock market profits from their heinous manipulations of taxpayer resources. There are hundreds of billions of dollars of corruption involved here!

- The FBI expends \$60M+ per year paying whistle-blowers, informants and witnesses. Where is our money per our FBI invoice? We testified to the GAO, SEC, FTC and other agencies and ***we want our money!***

- Specific individuals ordered federal agencies including DOE, SSA, HUD and others to harm us and cut off our money in reprisal for reporting these crimes. ***We want our money!***

- California and Nevada Senators operated hit jobs on us because we exposed their crimes. They cost our businesses a vast amount of money in losses. ***We want our money!***

The State and Federal agencies do not get to say that they didn't hear about the crimes from us FIRST because we filed multiple federal lawsuits and put our facts on federal court record proving that we disclosed the crimes, money laundering and stock market manipulations first. Thus we are owed our witness/whistle-blower/informant fees from multiple agencies that we provided testimony to in interviews and reports! ***We want our money!***

- The ***price*** of using our Democracy to harm us is your choice of payment programs, either: **1.)** Face your bankruptcy and global doxing in a 100% legal plan implemented by every citizen with a computer or, **2.)** Pay us what you owe us! ***We want our money!***

Using social media, direct mail and public relays, this information has been provided to every citizen and every law enforcement entity.

How do you wish to resolve this matter?

Sincerely

The Investigation Group
