

Why is everyone trying to put Google out of business? Because Google is a sick sociopath company!

...and because Google, and it's Cartel (Alphabet, Youtube, and hundreds of other facades) are a criminal organization engaged in felony-class crimes. Google's bosses bribe politicians, regulators and law enforcement officials to hold off prosecution.

Some of the largest political bribes in American or European history were paid via billions of dollars of pre-IPO cleantech stock, insider trading, real estate, Google search engine rigging and shadow-banning, sex workers, revolving door jobs, nepotism, state-supported black-listing of competitors and under-the-table cash. Why are these Silicon Valley Oligarchs and their K-Street law firms and lobbyists immune from the law?

U.S. Senators, Agency Heads and Congress are bribed by Google intermediaries with: Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix and Sony Pictures stock and stock warrants which is never reported to the FEC; Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix and Sony Pictures search engine rigging and shadow-banning which is never reported to the FEC; Free rent; Male and female prostitutes; Cars; Dinners; Party Financing; Sports Event Tickets; Political campaign printing and mailing services "Donations"; Secret PAC Financing; Jobs in Corporations in Silicon Valley For The Family Members of Those Who Take Bribes And Those Who Take Bribes; "Consulting" contracts from McKinsey as fronted pay-off gigs; Overpriced "Speaking Engagements" which are really just pay-offs conduited for donors; Private jet rides and use of Government fuel depots (ie: Google handed out NASA jet fuel to staff); Real Estate; Fake mortgages; The use of Cayman, Boca Des Tores, Swiss and related money-laundering accounts; The use of HSBC, Wells

Fargo, Goldman Sachs and Deutsche Bank money laundering accounts and covert stock accounts; Free spam and bulk mailing services owned by Silicon Valley corporations; Use of high tech law firms such as Perkins Coie, Wilson Sonsini, MoFo, Covington & Burling, etc. to conduit bribes to officials; and other means now documented by us, The FBI, the FTC, The SEC, The FEC and journalists.

Google and Youtube are based on technology and business models that Google and YouTube stole from small inventors who had launched other companies that were up and operating before YouTube or Google even existed as business operations.

Google holds the record for the largest number of corporate sex scandals, abuses and sex trafficking charges.

There are only two kinds of people that work at Google: 1.) Cult indoctrinated naive kids with odd sexual quirks and 2.) divisive managers and executives who seek to exploit those eco-chambered employees for nefarious political and stock market manipulation purposes under the Scientology-like guise of "doing good things", when, in fact, they are engaged in horrific crimes against society.

Google has hired almost every technology law firm in order to "conflict them out" from ever working to sue Google. If Google rapes you, robs your patents or does anything awful, you won't be able to find a lawyer to help you.

Most Google executives in control of Google have been indoctrinated by family dynasties to believe that any crime is justified by a bigger cause. Most of those executives are men. The few women in control of departments are figure-heads.

Google bosses attend the same parties and business meetings in which they collude, co-lobby, rig markets and make anti-trust violating plans together.

Google is a private government with more money and power than most smaller nations. Google has more lobbyists bribing more politicians than any other company in America.

Jared Cohen and Ms. Green at Google had the job of overthrowing countries in the Middle East. They openly bragged about it. (<https://truthstreammedia.com/2013/06/02/googles-regime-change-agent-jared-cohen/>)

People that work at Google get paid \$260,000.00+ per year to lie, spy, manipulate politics, bribe politicians and engage in other crimes. For that kind of money, a person will do ANYTHING and rationalize it as "part of the higher cause".

The Project X investigation team is publicly quoted as stating:
"...give the same number of lawyers as Google has, with the same level of skills and experience, the same discovery budget, legal expenses budget and expert witness budget, we ABSOLUTELY GUARANTEE that we can put Google staff and investors in federal prison and close Google, in bankruptcy...the Google Cartel has engaged in that much criminal activity..."

"Google is the largest financier of the Obama political campaign and exceeded FEC campaign spending limits by tens of billions of dollars. We can prove this in a jury trial, a Grand Jury hearing and a live Congressional hearing.

Google is the largest staffing source of the Obama Administration. We can prove this in a jury trial, a Grand Jury hearing and a live Congressional hearing.

The largest number of laws and policy decisions, benefiting a single company and its investors, went to: Google. We can prove this in a jury trial, a Grand Jury hearing and a live Congressional hearing.

Google, and it's investor's are the single largest beneficiary of the Obama Administration. We can prove this in a jury trial, a Grand Jury hearing and a live Congressional hearing.

The Obama Administration only won the White House because Google and Facebook engaged in the largest digital media and search engine manipulation in human history. We can prove this in a jury trial, a Grand Jury hearing and a live Congressional hearing.

Google, and it's investors, during the Obama Administration, had most of their competitors denied funding, grants, contracts and tax waivers while Google's investors GOT funding. We can prove this in a jury trial, a Grand Jury hearing and a live Congressional hearing and prove that Google coordinated anti-trust violations with senior Obama Administration White House staff...."
