

The Dirty Tech Company Take Down List - JOIN THE FUN!

The following companies don't deserve to be in business any more. They lie to the public about what they really do. They exploit the public by spying on them. They bribe politicians. They abuse their workers with sex extortion and liability avoidance. They manipulate your ideology, politics and free speech.

The public must do everything they can to put these companies out of business, crash their stock market valuations, expose their scandals and prostitutes, cut off their ability to pay bribes with stock market warrants and revolving door jobs, publish expose's with the facts and erase them from society.

They provide nothing ethical to the world that many other companies could not provide in a less illicit manner. No other companies are allowed to provide those services, though, because the companies operate monopolistic, anti-trust law violating attacks on anyone that competes with them.

These are the top dirtiest, most corrupt, companies to be taken down. Put all of your resources into their extinction and your world will dramatically improve:

HOW WE ARE PUTTING THESE DIRTY PLAYERS OUT OF BUSINESS:

How did we fight back against the most powerful corrupt companies on Earth?

These companies decided to cheat rather than compete and they cheated with political bribes, black-lists, collusion and other anti-trust violating acts.

These bad guys crossed the line when they used your own government officials and taxpayer funds to operate their crimes. They broke felony laws and the basic principles of Democracy.

So who protects these mobsters? Your Senators, White House Staff, insider agency staff and their Silicon Valley Oligarch sociopath political financiers. Some of your public officials set-up, operated and maintained an corrupt scheme for personal profit at the expense of every taxpayer. They went after Five Trillion dollars of your tax money for their personal interests via rigged stock market scams, rigged government contracts, exclusionary policy manipulations and other schemes that harmed American taxpayers.

We are taxpayers...so.. Game On!

We wrote FBI-quality criminal activities reports and filed them with every law enforcement and regulatory agency in every country in the world that we could find, including the FBI, OSC, GAO, EU, Interpol, FSB, UN, etc.

We identified and listed every person, organization and company involved in the attacks and RICO law violations and provided that list to The U.S. Congress and every agency.

We opened our own private investigator and crowd-sourced investigations into the following:

- Every stock market account they or their family owns
- Every Uber or Lyft ride they ever took for any meeting or transport of sex workers
- Every flight manifest they appeared on
- Every bank account they have ever held
- Every lawsuit, divorce record and police record they have ever appeared in
- Every trust fund they or their family holds
- Every shell corporation they, or their family holds
- Every person named in the Epstein Pedo book:
<https://www.scribd.com/document/416207833/Jeffrey-Epsteins-Little-Black-Book-Redacted> cross referenced across all of the other databases and then supplied to the FBI and Child Protection Agencies
- Every item in the Swiss Leaks that cross connects to their holdings
- Every item in the Panama Papers Leaks that cross connects to their holdings

- Every item in the WikiLeaks that cross connects to their holdings
- Every item in the Snowden Leaks that cross connects to their holdings
- Every sex trafficking incident that connects to each of them alone, and in groups
- Every financial transaction between any of the parties on the master list and the character assassination and hit job firms of: Google, Univision, Gawker Media, Unimoda, Jalopnik, Gizmodo, Black Cube, Fusion GPS, Media Matters, Think Progress, IN-Q-Tel, K2 Intelligence, WikiStrat, Podesta Group, YouTube, Alphabet, David Drummond, Larry Page, Facebook, Correct The Recor, Stratfor, ShareBlue, Sid Blumenthal, David Brock, Eric Schmidt, Sunshine Sachs, Covington and Burling, BuzzFeed, Perkins Coie and Wilson Sonsini or their derivatives with common owners.
- Every item in the Quest Leaks that cross connects to their holdings
- Every tactical deployment, by a campaign financier, of the tactics listed in this manual:
<https://www.cia.gov/library/readingroom/docs/CIA-RDP89-01258R000100010002-4.pdf>
- Every sex service that their credit card payments every connect too
- Every real estate transaction that any name or company they, or their family, were involved in, tracks to

..... and hundreds of thousands of other information points about them that prove that they benefit from crimes that they engage in for others who engage in crimes using the America public policy system.

It all goes into shared 100% legal public collaborative databases that work like XKEYSCORE, or MS Access, or Oracle Databases.

The proof of collusion, organized criminal actions and raw covert corruption is indisputable. The actors are all the same people. The beneficiaries are all the same people. The communications between the parties all coordinate the same actions.

We have demanded their arrests, indictments, exposures and bankruptcies. We say "Fuck You" to the Silicon Valley Oligarch 'Illuminati' scumbags and the crooked Senators and Governor's they bribed. You say you are going to "kill us and destroy our lives.." and that you are so frightening. You think you are a big scary thing? Here comes 'scary'! Watch what billions of taxpaying voters with collaborative FBI-class forensics investigation software is doing to you now!
