

Why Big Label Hollywood Actors and Singers Are So Anti-Trump In The Media...

By Aulee Smith

Because They Are Paid To Be Anti-Trump!

A background check on every Hollywood actor and main-stream singer with big label contracts shows that 99% of those “spokespeople” have a Jewish manager or handler who helped coordinate the cadre of make-up artists, fashion consultants, PR managers and handlers that surround the performer like a bubble. This corporation-maintained entourage is trained to create an echo-chamber of certain political positions that the big label owners want the actors to mouth.

For example Mel B, of the Spice Girls and America’s Got Talent Fame, has a 100% lefty liberal SJW crew of make-up artists, yoga instructors, cooks, nutritionists, masseuses and “friends” assigned to her by the corporation. Every single one of them was chosen by Jewish bosses to be mouthing Anti-Trump platitudes around Mel B 24 hours a day.

This programs Mel B to make Anti-Trump comments, facial expressions and other propaganda moves, on TV, in order to affect the sentiments of tens of millions of viewers. The other hosts on America’s Got Talent have constantly alluded to their experience with Mel B which makes them think she is kind of dumb and easily influenced. This makes her a perfect target for SJW propaganda bosses.

Jewish business men hate the Trump Administration because it breaks their control cartels that they had established with old-school GOP and DNC bosses.
