Is this the greatest time in the history of the world to be alive or what?

I mean when else could you read the words "Bi-Curious Democrat Congresser in Polyamorous Affair flashes Nazi-era tat" and it's actually true?

[The British tabloid Daily Mail has the scoop](#)rooski:

EXCLUSIVE: Shocking photos of Congresswoman Katie Hill are revealed as she's seen NAKED showing off Nazi-era tattoo while smoking a bong, kissing her female staffer and posing nude on 'wife sharing' sites

- Katie Hill, 32, has been seen in a series of shocking photographs obtained exclusively by DailyMail.com
- Hill was pictured kissing and brushing her young female staffer's hair, who DailyMail.com can identify as Morgan Desjardins from Santa Clarita, California
- The then 22-year-old began a throuple relationship with Hill and her husband Kenny Heslep shortly after she started working for Hill in 2017
- Texts and photos between Hill, Heslep and Desjardins reveal their throuple was steamy at first, but ended with Hill leaving them 'high and dry'
- The congresswoman was also seen posing naked while smoking a bong on 9/11 in 2017, as a tattoo of a Nazi-era Iron Cross on her bikini line is on full display
- The tattoo could open the congresswoman to accusations of hypocrisy, after she criticized racist Facebook posts that included a similar-looking cross
- Sources revealed Hill and Heslep also posted Hill's naked photos online in 2016 under a thread called 'WouldYouF**kMyWife' and 'wifesharing'

I suppose there should be a potential NSFW warning regarding the clicking of the link, but hey, live dangerously Spartans!
